As already stated in this Department U.O. No.2758, dated 10-3-1949 at page 19 ante no legislation for the purpose of including eradication of 'Hariyali' as an additional object for which a land improvement scheme can be framed is necessary but if Government thinks that a specific mention of eradication of 'Hariyali' should be made in the Act on the ground that the matter is important and deserves prominence, there is no objection to amending the Act for that purpose.
